

**PRINCE CENTER**

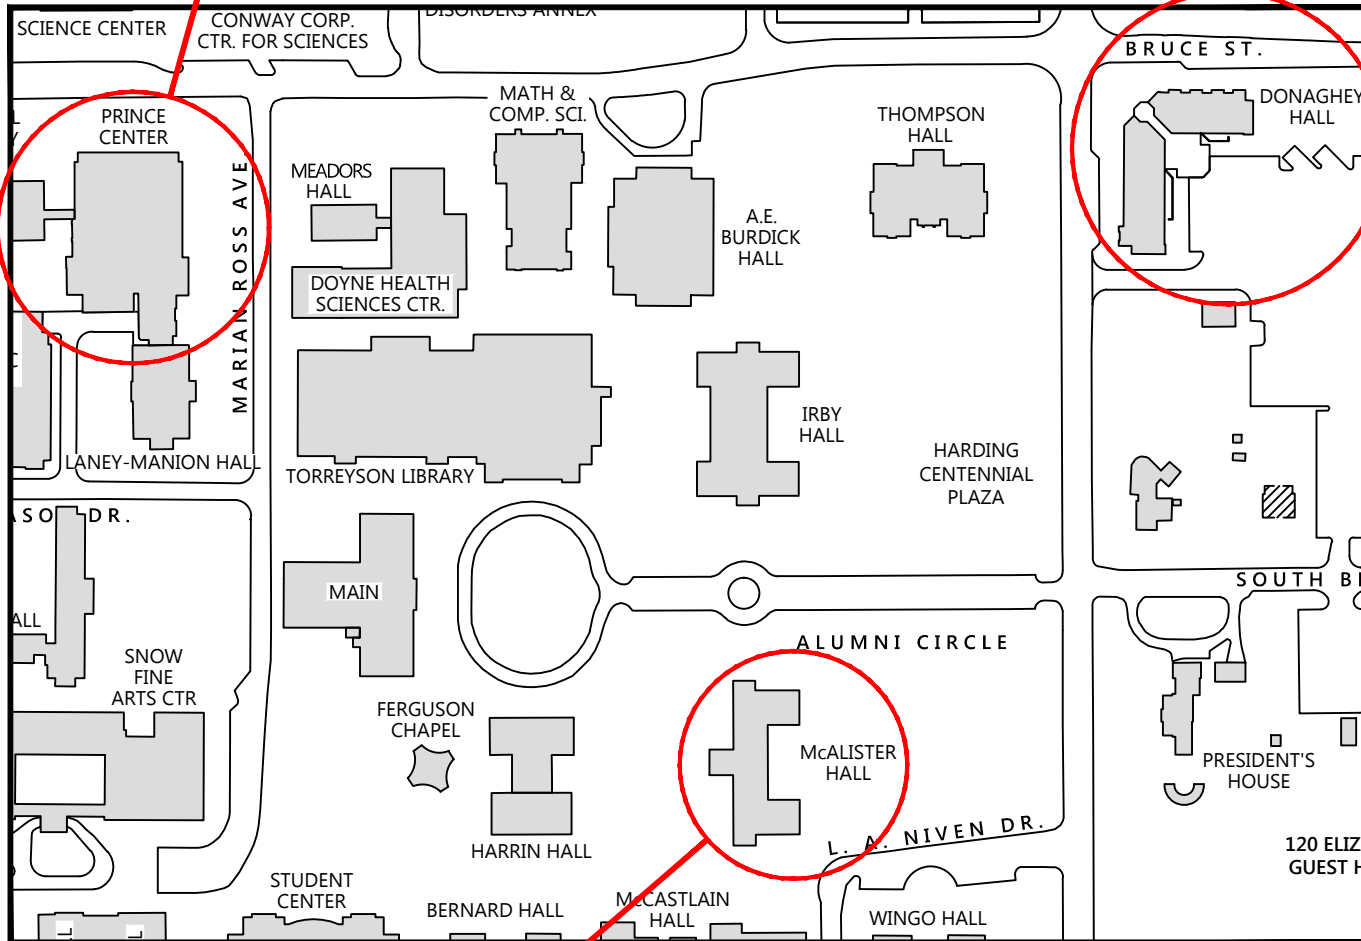

Room 201 was a traditional classroom and it is being converted into a chemistry lab. This project is currently about 60% complete. Painting and hanging duct work is underway and fume hoods have been installed. HVAC equipment should arrive soon.

**DONAGHEY HALL**

Mosaique Restaurant is complete for all practical purposes. They have their certificate of occupancy and should be able to open any day. Uncle T's Deli is open for business. Makers Space is 99% complete and equipment is being installed.

**McALISTER HALL**

Mirror Room renovations consist of repairing the roof and parapet/chimney and remodeling the inside of the room.
